MEMPHIS APPEAL

TUESDAY MORNING, : :: JUNE 22, 1869.

THE NEWS.

A negro has been appointed to office in Texas, over a dozen white Union soldiers who were applicants. This is the The Radicals of the Richmond

Va., district have rominated seven negroes and one so-called white man, Charles Zincke, to represent them in the House of Delegators The New York Evening Telegran says: The race of fools will never be ex-tinet. It is a fact beyond dispute that many of our fashionable young men ac-tually feed on arsenic. For what? For

their complexions. Actual fact! Gen. Dix, at his farewell banquet in Paris, complimented the Empress Eu-genie, in the words that Burke applied to Marie Antoinette: "Surely nover lighted

on this earth, which she scarcely seems to touch, a more delightful vision Pretty, but not new. The Greensboro (Ga.) Herold, of the 10th inst., says: "We were yesterday shown a letter from the Hon. Alexander H. Stephens to a friend in this city," in which he says that his health is in

ing, that he can sit up must of the day and attend to business The Courier-Journal says: There be erected an elegant Operahetise, which

certain of the Protestant Episcopa Church—classed as low church Bishops would favor the proposed changes in th Book of Common Prayer. But all c these Bishops have now expressed their selves adversely to any change in it.

The Journal of Chemistry says "We know that diptheria, typhoid in scarled fevers, and many other serious i in city and country; and we can do ou readers to greater service than to urg them to see that, at all times, they are is a dry, sweet, wholesome co At a social meeting of negrous in

Baltimore, a few days ago, the following toast was offered: "Our wives and daugh minded." What will the strong-minde white sisters say to this casping from th race they have labored to "elevate?

Gen. Prim's enlogy of Juarez and violent opposition to the speedy choice a a monarch, would seemingly indicate squinting on his own part roward impe rial honors. This opinion is shared in cal rivals in the Madrid Junta,

The Knoxville Press and Herald o Saturday says: The great travail recurred yesterday, and the result was that the Whig will pursue the tener of its way. Brother Pearne, we understand, still holds his chair, as he did in the Nashville Convention, and Senstor Brownlow is still spared the fate of Acteon, who was bounded to death by his own dogs.

A correspondent of the Country Genfleman says that he finds leached ashe and cut grass the best moleh for the grape vine. The ashes gather moister and repel heat. Grape vines that were mulched at the commencement of the drouth last summer, stood the heat well. When the grass rots, the roots derive natriment from it. The grass is put on first, and then covered with ashes. This mulch is both productive and curiching, and the natri-ment is of a kind that is wanted-vegeta-

The Country Gentleman, in an arti- months since to the effect, that by the cle reviewing some objections to the man-agement of Agricultural Societies, suggests that the best cure is a more general interest in and co-operation with the ag-ricultural societies by the general leady of farmers in a country take an interest in their society, it management may be made what they want it.

Smith kindled a flame in Fredericksburg on Tuesday night, which will burn more and more widely until Wells & Co. are consumed. The old war horse, 'his neck clothed in thunder,' unchilled by the chronological error in his age, with the vigor of forty and the wisdom of threescore, roused up the immense audiene to a just appreciation of this terrible crisis in Virginia's destiny.

Do the Radicals imagine they can say to the tempest-toosed waves of agita tion on the negro question, "time far shall thou go, and no farther?" If so they are mistaken. Give negroes unlinited political privileges, put the ballot into their hands, send them abroad to represent the nation, and then halt at that point if you can. Already the current of fanaticism is beginning to undermine the social system, and the inky stream wash

cides that the negro can hold office in that State. The Badical judges base this de-cision on the 14th amendment of the Conment protested that it did not invest the negro with any political rights. This, indeed, a so notorious that at this moment there is pending another amendment, the 15th, to give the negro the right even to

The New York Evening Telegram even the old stocks of sports who clum customs of the past. There is too much villainy, too much of the cut-throat prin claimed, employ a population twice spirit in it now to warrent even their support. Rowdies, assassius, thicres, makefactors of every grade are now its only patrons. Let the laws be firmly ing wilderness, and is likely to remain an overwhelming majority." With a law to firmly law to the New Orleans Times learns that so unless men can be found to build half-dozen candidates in the field, the Prof. Alexander Dimitry has been called levees and handle the plow, bee and under the alie rectorship of the deserved popular frother Isaiah. The acquisition of a scholar of Mr. Dimitry's reputation and a scholar of Mr. Dimitry's reputation of a scholar of Mr. Dimitry reputation of the Mr. Dimitry reputa

and control of the white race, we clip the following from a Janusica letter published in the Panama Stay: "Jamaica possesses all the elements of prosperity, except energy and enterprise, which it lacks; but so we are satisfied that if the people would devote less time to politics and the abuse of the Government, and turn their attentian and energies to developing the resources of the island, depending more number own industry and less upon their own industry and less upon the Government for success, they would very soon find themselves in a very different and far more prosperous position than they are; but so long as they lie dormant and expect the Government to do everything for them, they can never hope to be any better off than they are at present."

what but a numerous population has we regret that journalism in Knox-wille will lose the contributions of one who has, not only as 'local' of the Daily Whig, but of the Weekly, for many months before the establishment of the Daily, gives to the paper a great deal of the respectability which, despite its political character, it has enjoyed."

The Press and Times, referring to the article of the Clarksville Putriot, showing that the negroes have no dred or more laborers whom he is

A West Point N. Y. dispatch of the ing in a carriage, the horses took fright in front of the cavairy stables, and dashed off at a fearful rate of speed down the

overturned; Mr. Clark managed to jump out, but Mr. Clark managed to jump out, but Mr. Guntherwas thrown violently to the ground. The animals continued their mad course and went into the river with the carriage and driver. Stephen Mandigo, who was rescued. The horses and carriage, valued at \$3000, disappeared. Mr. Clark was very severely bruised about the head. Mr. Gunther's right arm is hadly minured at the point of the should working up this great matter. is badly injured at the point of the shoul-der, and he suffers from the shock. The driver sustained severe scalp wounds, an it is feared he is seriously injured.

The San Marcos (Texas) Pioneer The San Marcos (Texas) Professor the 5th says: We have been out to the farms that were reported injured by the late hall-storm, and find the damage ever greater than at first supposed. In addition to the places named in our last issue three or four others were almost ruined the control of t the corn cut into shreds and the cotton beaten into the earth. Some effort, we be-lieve, will be made at replanting cotton, if seed can be procured, which we think somewhat doubtful. On the prairie, near York's Creek Church, many mule-eare rabbits were found killed by the hal which fell in stones ranging from the size of a buck-shot to that of an egg.

ual interest, especially for the farm SAN FRANCISCO, June 11, 1800.

Your communication on the subject introduction of Chinese labor in the introduction of Chinese lator into the Southern States has been received. I was gled to hear that the people were at last beginning to look to their interests on the question of labor. The Chinese, if intro-duced into the agricultural districts of the South, where both soil and climate are alike in symathy with his nature, will de-velope it into one of the most beautiful, roductive, prosperous and wealthy re ions upon the face of the globe—his own oriental kingdom not excepted. You often, rice, tobacco and sugar plantation ill wear a new livery under the Chinesestem; their plan of irrigation will trans form your barren mountains to the utter-most tops thereof into productive fields, and make them to biossom as the rose. You rivers will be leveed, and what is now a useless waste of waters will become he transit for your inland commerce.
They are socially Chinese; which me "and the application must be prompt.

"and the application must be prompt."

"and the application must be prompt." "That remedy in my opinion, is to introduce other labor, and that other labor must be the Chinese. Have you any information as to when the Chinamen on the Pacific road will be discharged, and do you think there would be any chance for me to obtain two hom."

"The cultivation of silk and tea could also be made profitable; indeed, no other labor is so peculiarly adapted to the Southern States as Chinese. Some may object to the introduction of heathens among them, but they will soon find out that they (heathens) are more sinned against than sinning. I have submitted some propositions in this relation to the would soon crowd out the lazy, useles some propositions in this relation to the chief of the immigration companies and
